## About your e-Poster

The information below provides guidelines, recommendations and tips on how to design and structure your e-Poster. e-Posters will be displayed on screens in a dedicated area at the MCEC, Congress App and the virtual platform (Attendee Hub).

## e-Poster Format

Please prepare **up to 3 pages** (minimum 1 page and maximum 3 pages) in **landscape orientation** and save as a PDF file.

## Design Tips

- All posters should be a visual presentation of your submitted abstract
- e-Posters should be well thought out and visually appealing, with a balance of text, graphics and neutral space.
- Maximise the impact of your poster!

**NO** to this format

**YES** to this more inspiring format

Refer to the Presenter Guidelines page on the website for the **better poster template**.

## Title, Authors and Disclosure

- The title of the e-Poster (should match the submitted abstract)
- Include the names and affiliations of all authors
- Disclosures must be displayed at the bottom of the first page. For example: 'Supported by a grant from ...' or 'No financial disclosures'

## Poster Award

Ten high scoring poster abstracts will be shortlisted for the Best Poster Award. Three independent Judges will decide on the winner based on quality and originality of the content as well as presentation. The winner will be selected and announced at the **Poster and Film Festival** on Sunday 16<sup>th</sup> November between 17:30 - 18:30. Finalists and winner will be notified.

## Poster List

The poster list (with authors and abstracts) will be added to the Program page of the website.

## Posters as identified by Australian Vision Research (AVR)

Australian Vision Research is an organisation dedicated to promoting and supporting research and awareness into the causes of eye disease and the prevention of blindness. An expert panel will review and identify the 'notable abstracts'. These abstracts will be marked in the program and the presenters will be issued a certificate post Congress.

## Withdrawals

If you choose to withdraw your poster, please inform the Congress Office in writing immediately. The designated contact person is responsible for notifying all co-presenters about the poster being withdrawn.

**Important Notes:** A withdrawn poster will not be reinstated.
